

4 1/2" X 8" Football Car Magnets - Full color

Football magnets come in 2 basic styles - 3d styled balls most often have real images - the ball is mildly narrower at 4.41" w X 8" h. The larger "school colors" football is 8.25" w X 5.5" h and uses school color as a backdrop to text or school mascot image. Our production method costs less to set up and takes less run time than the old single print process so we can charge one price for any amount of colors!! We use UV rated inks, print on industry standard vinyl, and use magnetic material that is 30 mil thickness
